13.06.2019      Watch out for the Theme Day      KG - II

To increase the interest of the children in education, we celebrate Theme Day once in every month.

### Following are the details:

1. All kids can come in a particular colour dress which will be mentioned in every theme day circular.
2. If some parents do not have that colour, they can use similar or closely related colours. For example if blue dress is selected, kids can come in light blue or dark blue or navy blue etc. Even if any of the colours is not available, children can come in any other colour dress. The particular colour is not compulsory. Parents need not buy new dress for this purpose.
3. On Theme Day, children will be allowed to play, dance, watch children films, do colouring and scribbling, involve in group & individual activities, tell stories, learn new activities, etc.

### THEME DAY FOR THIS MONTH

The theme for this month is 'SUMMER'. Students can come dressed in **Yellow** colour on **14.06.19 (Friday)**. Parents need not buy a new dress for this purpose. Activities based on the theme will be done in the class.
